How We Use Your Information

Your information is used to provide and maintain the FarmInput service, authenticate users, manage farm input records, generate spending analytics, compare regional prices using anonymized data, facilitate buying groups, send notifications, improve app features, provide support, and prevent fraud.

Information Sharing

We may share anonymized and aggregated price data for regional comparisons. When you join buying groups, your name and basic profile are visible to group members. Supplier reviews you submit are publicly visible. We do not sell your personal data or share your contact details with advertisers.

Data Security

We use industry-standard security measures including encrypted data transmission, secure cloud storage, regular security updates, limited employee access, and OTP-based authentication. However, no system is completely secure, and absolute security cannot be guaranteed.

Data Retention

Privacy Policy

Data Retention

We retain your data for as long as your account is active or as required to provide services. You may request account deletion at any time. Some information may be retained for up to 90 days after deletion for legal, security, or compliance purposes.

Your Privacy Rights

You have the right to access, correct, export, or delete your personal data, opt out of non-essential communications, and withdraw consent for processing. These actions can be taken through the app or by contacting privacy@farminput.com.

Children's Privacy

FarmInput is not intended for users under 18 years of age. We do not knowingly collect personal information from children. If such data is identified, it will be deleted promptly.

Third-Party Services

FarmInput may link to third-party services such as supplier websites and uses external analytics and crash-reporting tools. We are not responsible for the privacy practices of these third parties.
